PROFESSIONAL OVERVIEW

Showcase your most impressive accomplishments right here. Within seconds, the reader should be able to tell who you are and what your areas of expertise are. The purpose of a professional profile is to provide a quick overview of your potential skills, experience, and achievements to a recruiter without requiring them to read the rest of your resume.

WORK EXPERIENCE

Registered Nurse

Joondalup Health Campus – Perth, WA

May 2021 – Present

- Assessed and triaged patients on arrival, prioritising care based on acuity
- Monitored vital signs and responded promptly to changes in patient condition
- Administered medications, intravenous therapies and emergency interventions
- Assisted in resuscitation, stabilisation and trauma care procedures
- Provided wound care, suturing assistance and infection control management
- Supported medical staff with diagnostic tests, procedures and treatments
- Educated patients and families on treatment, discharge instructions and follow-up care
- Maintained accurate and timely clinical documentation and care plans
- Operated and monitored medical equipment in high-pressure settings
- Collaborated with multidisciplinary teams to deliver safe, patient-centred care
- Ensured compliance with hospital protocols, infection prevention and safety standards

Registered Nurse

St Vincents Hospital – Sydney, NSW

Jan 2019 – Apr 2021

- Conducted patient assessments and triage, prioritising care according to severity
- Monitored patient vital signs and responded to clinical changes promptly
- Administered medications, IV therapies and emergency interventions
